Happy New Year!!

Our Mission...

...to create a positive musical learning partnership among faculty, students, and their parents/practice partners by following the philosophical principles and educational methods developed by Dr. Shinichi Suzuki so that children can grow into loving and respectful individuals who will have a positive effect on their world.

Spring Semester Program Recitals

February 25 • March 18 • May 6
Sundays at 3 p.m.

Our program recitals feature students from all our teachers' studios. Since only 5 or 6 students from each studio may participate in a recital, space is limited to one performance for each student per year. We encourage you to attend these recitals to support your fellow Suzuki families and enjoy the diverse musical offerings.
