

B.A. in Psychology Requirements Checklist (38 credit hours)

PSYC 100 (Introduction to Psychology); 4 credit hrs.

HNRS 142 (Biosocial Dimension of Behavior) meets this requirement. PSYC 199 (transfer college credit) or a 4 or 5 on the AP Psychology exam can be used to waive this requirement. PSYC 199 and AP credit do NOT fulfill a Y GE and do NOT count toward the credit hours for the major (see Note below). If a student with PSYC 199 or AP credit elects to take PSYC 100, they will forfeit their PSYC 199 credit hours.

PSYC 200 (Research Methods); 4 credit hrs.

One 200-level Topical/Research Course Combination; 7 credit hrs.

*The research course MUST be taken **concurrently** with its corresponding topical course. PSYC 200 is a prerequisite for all 200-level research courses.*

Psychology Course Electives; 8 credit hrs.

Electives can be taken at the 200, 300, or 400 level. Senior Research, Directed Studies, and Independent Studies do not count. One elective can be taken while studying abroad.

1) _____ 2) _____

One 300-level Junior/Senior Seminar; 4 credit hrs.

PSYC 410 (History and Systems); 4 credit hrs.

Note: Students that waive the PSYC 100 requirement with AP or PSYC 199 credit will need to complete one additional PSYC elective (4 credit hours) to meet the 38 credit hours required for the BA degree.

B.S. in Psychology Requirements Checklist (57 credit hours)

PSYC 100 (Introduction to Psychology); 4 credit hrs.

HNRS 142 (Biosocial Dimension of Behavior) meets this requirement. PSYC 199 (transfer college credit) or a 4 or 5 on the AP Psychology exam can be used to waive this requirement. PSYC 199 and AP credit do NOT fulfill a Y GE and do NOT count toward the credit hours for the major (see Note below). If a student with PSYC 199 or AP credit elects to take PSYC 100, they will forfeit their PSYC 199 credit hours.

PSYC 200 (Research Methods); 4 credit hrs.

One 200-level Topical/Research Course Combination; 7 credit hrs.

*The research course MUST be taken **concurrently** with its corresponding topical course. PSYC 200 is a prerequisite for all 200-level research courses.*

| <input type="checkbox"/> PSYC 225 & 226 | <input type="checkbox"/> PSYC 250 & 251 |

Two 300-level Topical/Research Course Combinations; 14 credit hrs

*The research course MUST be taken **concurrently** with its corresponding topical course. One 200-level research course is a prerequisite for all 300-level research courses.*

Choose from:

- | | |
|---|---|
| <input type="checkbox"/> PSYC 310 & 311 | <input type="checkbox"/> PSYC 340 & 341 |
| <input type="checkbox"/> PSYC 330 & 331 | <input type="checkbox"/> PSYC 350 & 351 |

PSYC 370 (Statistics for Behavioral Sciences); 4 credit hrs.

This course is required for Senior Research. This course cannot be taken concurrently with MATH 102, nor can MATH 102 be taken after completing this course. Students who have already taken both MATH 242 and PSYC 200 will NOT earn credit toward graduation for this course.

One 300-level Junior/Senior Seminar; 4 credit hrs.

PSYC 410 (History and Systems); 4 credit hrs.

Four courses in Natural Sciences, Math, or CS; 16 credit hrs.

This can be completed with 2 courses in two different departments or all 4 in one department. All courses MUST meet major requirements in that department. Astronomy and Neuroscience courses are not eligible.

1) _____ 3) _____
2) _____ 4) _____

Note: Students that waive the PSYC 100 requirement with AP or PSYC 199 credit will need to take one additional PSYC elective to meet the 57 credit hours required for the BS degree.
