

Minor in Psychology Requirements Checklist (27 credit hours)

_____ **PSYC 100 (Introduction to Psychology); 4 credit hrs.**

HNRS 142 (Biosocial Dimension of Behavior) meets this requirement. PSYC 199 (transfer college credit) or a 4 or 5 on the AP Psychology exam can be used to waive this requirement. PSYC 199 and AP credit do NOT fulfill a Y GE and do NOT count toward the credit hours for the minor (see Note below). If a student with PSYC 199 or AP credit elects to take PSYC 100, they will forfeit their PSYC 199 credit hours.

_____ **PSYC 200 (Research Methods); 4 credit hrs.**

_____ **One 200-level Topical/Research Course Combination; 7 credit hrs.**

*The research course MUST be taken **concurrently** with its corresponding topical course. PSYC 200 is a prerequisite for all 200-level research courses.*

Choose from:

_____ **PSYC 210 & 211**

_____ **PSYC 230 & 231**

_____ **PSYC 215 & 216**

_____ **PSYC 240 & 241**

_____ **PSYC 220 & 221**

_____ **PSYC 245 & 246**

_____ **PSYC 225 & 226**

_____ **PSYC 250 & 251**

_____ **Psychology Course Electives; 12 credit hrs.**

Electives can be taken at the 200, 300, or 400 level. Senior Research, Directed Studies, and Independent Studies do not count. One elective can be taken while studying abroad.

1) _____

2) _____

3) _____

Note: Students that waive the PSYC 100 requirement with AP or PSYC 199 credit will need to take one additional elective to meet the 27 credit hours required for the minor.
