Form to be returned only if you would like your name to be EXCLUDED from campus listings.

Denison provides all students, faculty and staff with an online directory listing all members of the Denison University community. The First-Year Office also provides to incoming First-Year students a printed Roster which includes the names and high schools of their classmates.

Those students who wish to **NOT** be included must forward this request in writing, as required by Federal Law, to Donna Davis before July 2, 2012. If you **DO NOT** wish for your information to be printed in this directory or online, please sign your name on the line below.

If you would like your information included, please **DO NOT** return this form.

Please note that having your information excluded from the directory results in deletion from all directories, including the First-Year Roster, Slayter Information Desk, the Denison Web page and other campus generated lists.

Please print.

I, _____, wish to be excluded from the Denison University Student, Faculty and Staff Directory.
