Emergency Alert System

In order to contact students in the event of a campus emergency, Denison has implemented an Emergency Alert System. One component of this system allows Denison to send voice and text messages to student phones and alerts to student email addresses. All student email addresses are automatically registered with the system, but we highly recommend that students also register their individual cell phones and other email addresses they might use. The system is intended for students and other on-campus personnel; parents should not register their cell phones, home phones, or home email addresses.

Data provided will be used expressly for emergency alerts and will not be used for routine communication unless you have given approval below. Denison does not and will not make any of this data available for commercial solicitation.

On-line Registration

We ask that students register for the Emergency Alert System using the on-line interface. Students will receive their account information in June (either from attending a June-Orientation session or in the mail). In the event that on-line registration is not possible, please complete this form and return it to the mailing address above (there is no pre-printed label) or fax it to the number provided. Go to: <https://web4prod.denison.edu> to register on-line. Students may access this system at any time to change, remove or add additional contact information.

Paper Registration

Enter Phone Numbers where you would like to receive Emergency Alerts. Voice and text messages to mobile phones cannot be sent out of the continental United States.

Name _____

DU ID # or Social Security # _____

<u>Description</u>	<u>Area Code</u>	<u>Phone Number</u>	<u>OK to send Emergency Text Messages to this telephone</u>	<u>OK to also use this telephone for regular university business by Denison staff</u>
Cell Phone 1	_____	_____	<input type="checkbox"/>	<input type="checkbox"/>
Cell Phone 2	_____	_____	we can only text one phone	<input type="checkbox"/>

Enter an additional Non-Denison email address where you also would like to receive Emergency Alerts. Alerts will automatically be sent to all Denison email addresses; you do not need to register these.

<u>Description</u>	<u>Email Address</u>
Other Non Denison Email	_____
