Denison provides all students, faculty and staff with a directory listing all members of the Denison University community.

Those students who wish to **NOT** be included must forward this request in writing, as required by Federal Law, to Donna Davis before August 4, 2008. If you **DO NOT** wish for your information to be printed in this directory, please sign your name on the line below.

If you would like your information included, please **DO NOT** return this form.

Please note that having your information excluded from the directory results in deletion from all directories, including the Slayter Information Desk, the Denison Web page and other campus generated lists.

Please print.

I, _____, wish to be excluded from the Denison University Student, Faculty and Staff Directory.
