

DENISON UNIVERSITY SOFTBALL
WINTER CLINIC
JANUARY 20, 2008

The Denison University Softball staff is pleased to announce two winter skills clinics on January 20th at the state-of-the-art Mitchell Center on the Denison campus. Head Coach Tiffany Ozbun and assistant coach Lynsey Pyle will offer instruction along with members of the 2008 Denison Softball Team including all-region and all-conference players. Clinic participants ranging in age from 9-18 will receive hands on instruction as they rotate through multiple offensive and defensive stations. Each station is designed to improve each aspect of their game. Participants can sign up for one of the two skills clinics offered. Skills I is the morning session designed for more advanced players ranging in age from 13-18. The Skills II camp is designed for the younger player (ages 9-12) seeking basic fundamental development. Each participant will be given top notch instruction in the areas of hitting, fielding (instruction will be position specific) and base running. Pitching and catching will also be included in defensive stations. All participants will also receive a 2008 Denison Softball Winter Clinic t-shirt.
