 Re: Softball Schedule

We have 10 teams competing in the softball league this fall. Games will be played on Sundays, Mondays, and Wednesdays at the IM fields. In case of rain, call JD, Patrick, Todd or the IM office (6242 or 6657) after 3:00pm. If time permits, rainouts will be rescheduled. As always, umpires will not tolerate **ANY BAD MOUTHING!** Attached is a set of rules. **NOTE:** In season varsity athletes **ARE NOT ELIGIBLE** to participate in intramural sports. That means no individual from the following varsity teams may participate in this league: football, men's/women's soccer, men's/women's cross country, field hockey, swimming, or volleyball. **It is up to team captains to enforce this rule and if a varsity athlete does play, your team will be forfeited from the league.** Captains can also check the rules on the intramural web page. Good Luck!
