JOBS IN THE NON-PROFITS FAIR

Social Justice. Advocacy. Human Services. Do these words inspire you? Do they evoke a sense of purpose or meaning for you? Do you need to figure out how to incorporate them into your summer and/or post-Denison plans? If so, plan to attend the 7th Annual Jobs in the Non-Profit Fair!

Wednesday, February 27th

11:30 a.m. - 2:00 p.m.

Representatives from over 30 organizations will be available to answer questions about the mission of their organization; the availability of volunteer/internship/full-time opportunities; as well as their individual career paths. Organizations such as The Buckeye Ranch, American Heart Association and City Year Columbus will be in attendance. Bring your resume.

The College of Education and Human Ecology at The Ohio State University and OSU Athletics are teaming up to present the Sports Career Fair on Tuesday, February 26. OSU Athletics has created a ticket package that includes admission to the Sports Career

Fair, a ticket to the final Men's Hockey game against Miami (OH), and a meal voucher for the game. The cost for this event is \$17.

1) Please note that the Sports Career Fair replaces the SELR Job Fair that was to take place on February 12. Many of you saw the SELR event on our web page and may have told your students about it. If you have posted the SELR Job Fair on your web page or other literature, please remove it and replace it with this event.

2) Candidates will have the opportunity to meet with employers in sport, exercise, leisure, and recreation. Sample employers include OSU Athletics, professional sports teams, fitness centers, and summer camps. Candidates may access a list of participating employers and register for tickets through the [EHE Career Services: Events](http://ehe.osu.edu/career-services/events.cfm) web page. The employer list is updated weekly. (<http://ehe.osu.edu/career-services/events.cfm>)
